

Vocal Process Retreats

Our training retreats are held in the border town of Presteigne in the Welsh Marches. The town is surrounded by stunning countryside and is a popular holiday destination for nature lovers, walkers and cyclists. Our home is within a minute of the town itself, hidden away in a hollow with the river Lugg running through the garden.

*It allows you to get away from the (often) stressful and chaotic everyday life and focus solely on your own personal development. Where you live is stunning and tranquil - perfect place for learning in my opinion! **Connagh Tonkinson***

*The peace and tranquillity really give your brain space to absorb what it needs to. I think the learning environment you create is also excellent - small groups, lots of interaction, work hard and eat well! It's a holistic experience! **Emily Davis***

Travel by train

Our nearest mainline train station is Leominster, accessible from London Paddington (change at Newport) or Euston (change at Crewe). If you are coming from the North, there is a direct train from Manchester Piccadilly to Leominster. If you are travelling from abroad, your most convenient airports are London Heathrow and Manchester. We meet specified trains for arrival and take you back to the station for the return journey.

Travel by car

If you are travelling by car from the South, the simplest route is via the M5 J7 Worcester, but the M4/417/419 and then via Ledbury is also a good route.

From the North there are several choices depending on whether you are on the West or East side of the country. A simple route is to head for Shrewsbury (M54) and then follow the signs for the A49 to Church Stretton and Leominster.

*Your USP is that you're ACTUALLY a retreat. You have genuine CPD certificates AND it goes without saying that that it's you two and no-one else can sell that! For me, it was so good to get away from it all, work with likeminded super friendly teachers and honestly, it felt to me like a bit of a holiday too. **Kate Cubley***

*The experience was more than I expected, it really felt like a treat. A rare opportunity to develop self & have time out, in a beautiful place. I would say that the distance was worth the expertise of your good selves. **Catherine Stephens***

*The superb quality training and the distance from home allowed me to completely focus on one thing for the whole weekend, something which is very rare in my hectic schedule and family life. **Jessa Liversidge***
